3P Learning

Learning to read has never been this much fun!

Important message from your school!

Help your child crack the reading code!

Dear Parents,

We are excited to announce that our school is now using Reading Eggs! Reading Eggs is designed to get your child motivated and excited about reading in both the school and home environment.

Reading Eggs is full of educationally sound, fun and interactive activities that focus on the most fundamental skill needed in school: reading. The program makes learning phonics and basic reading skills a truly enjoyable experience. Children will enjoy the huge variety of reading lesson, activities and games that make up Reading Eggs.

How you can help your child Crack the Reading Code

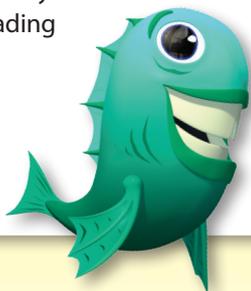

To access your child's Reading Eggs lessons at home:

- Go to www.readingeggs.co.uk and register.
- During the registration process you will be asked if you have a code from your school. This is where you enter your child's home-school link access code.
- Once registered, you will be able to use Reading Eggs.

What our Parents say:

“Reading Eggs is incredible!! My daughter can't get enough of the activities, she enjoys them so much. We had to turn the computer off because she was getting tired. In just THREE days she started reading the most basic of words. Thank you so much Reading Eggs.”

Arthur

“My son has severe dyspraxia involving verbal, fine & gross motor skills. Since starting school he has lost all confidence in learning literacy, and avoids any literacy activities like the plague. Not so with Reading Eggs. It has given him much more than reading ability. I can't keep him off or get him to stop working on Reading Eggs.”

Jody

Over 100,000 children are already learning to read with Reading Eggs!

Student navigation

My Lessons

This is where the real learning takes place

My House

Your child can visit their house and find all their belongings, including any Story Factory stories they have submitted sitting on their bookshelf!

Story Factory

Opens up a world of story writing and reading with a weekly story writing competition.

Puzzle Park

Your child can complete word puzzles and practise sight word recognition whilst being rewarded with Golden Eggs!

Driving Tests

This section provides you with testing tools for assessing basic skills knowledge. The tests cover sight words, phonic skills and content-area vocabulary.

Skills Bank

This section focuses on building your child's skills in spelling, Vocabulary, grammar and punctuation coming soon.

Why your child will love learning with Reading Eggs

- The computer environment is endlessly patient and each student can make real progress at their own pace.
- Reading Eggs is infused with a sense of humour and children are surprised and amused by the program, especially the funny songs that are part of many lessons.
- Each child can create their own avatar/online character.
- Each time a child completes a learning activity they are rewarded with Golden Eggs for their Egg Bank. They can then use Golden Eggs to buy fun and educational games in the arcade.
- Children get a real sense of achievement as they progress through each of the maps and other activities.
