

## Long term planning overview

### Geography 2023-24

*Caring, Learning, Growing.*

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<b>EYFS</b>	Our EYFS curriculum has carefully planned learning opportunities which aim to help children build a picture of the world around them starting with the learning environment including our outdoor provision. They learn about important celebrations around the world and are exposed to different cultures through stories and songs. We use our local area to take our children outside of school so that they can compare two different places and be introduced to the idea of natural and man-made resources. In EYFS, we teach topics based around children's needs and interests and therefore the geography we cover may differ from year to year.					
<b>Yr 1</b>	Where do I live? Characteristics of the United Kingdom		<i>Local Geography</i> Our school grounds  Seasonal Weather Patterns		Seas and Coasts	
<b>Yr 2</b>		<i>Small area of the UK study</i> London (comparison with Liverpool)		My World and Me <i>Local Geography</i> Walton Study	<i>Non-European Contrast study</i> <i>Let's go on Safari Kenya</i>	
<b>Yr 3</b>	Rivers	Mountains	Settlements	Agriculture	Volcanoes	Climate and biomes
