Years 1 and 2 Attendance Winner	Class 5	<b>100%</b>	
Years 3 and 4 Attendance Winner	Class 7	97.3%	
Years 5 and 6 Attendance Winner	Class 13	99%	

**CHATTERBOOKS:-** We look forward to welcoming parents of children in Year 1 to tomorrow's **Chatterbooks** session. The session will be held in the **Year One classroom** area. The session will start as soon as possible after the registers have been taken. We look forward to seeing you tomorrow morning.

Our **Nursery Chatterbooks** session is being held on Thursday **31st January** at 9am in the Performing Arts Room (next to the school hall).

Our **Reception Chatterbooks** session is on Thursday **7th February** at 9am. In the Performing Arts Room (next to the school hall). Thank you.

**Scientists!** We are looking for any friends or family members of Northcote children whose work involves anything to do with the STEM subjects; these are **Science, Technology, Engineering & Mathematics** and would be interested in coming in to talk to the children. This could include nurses, doctors, engineers, hairdressers (mixing chemicals), midwives, designers etc.

Please **pop into the office** with your name and contact details if you would be interested or contact **Mrs Pitfield: v.pitfield@liverpool.northcote.sch.uk**

**Crossing Patrol.** Parents are aware that due to the absence of our crossing patrol officer the council are not able to provide cover. As a school we have raised serious concerns with the management team and are hoping to see a remedy to this situation as soon as possible.

Can I ask parents to take **special care crossing** the road on the way to and the way from school each day? Your child's safety is always uppermost in our thinking.

Can I also ask those **parents who drive** along Cavendish Drive or who park close to school, that you be especially thoughtful about the safety of the children? Thank you.

**N.S.P.C.C. Number Day.** We are delighted to be involved with the NSPCC number day on **Friday 1st February**. This is a fantastic opportunity for our school community to raise money for the NSPCC charity at the same time as completing **fun maths** activities.

**Parents** are invited to a **maths breakfast** in your child's classroom between 9:00 and 9:45am. Children will continue their maths themed activities during the afternoon with **Maths @ the movies** where children will investigate the maths behind our favourite films. We ask for a **donation of £1** per family that will all go to the charity The NSPCC.

**Parents Evening.** We look forward to welcoming parents on **Wednesday 13<sup>th</sup>. February**.
