CHATTERBOOKS:- Our **Nursery Chatterbooks** session is being held tomorrow (**31st. January**) in the Performing Arts Room (next to the school hall).

Our **Reception Chatterbooks** session is on Thursday **7th February** at 9am.

Scientists! We are looking for any friends or family members of Northcote children whose work involves anything to do with **Science, Technology, Engineering & Mathematics** and would be interested in coming in to talk to the children.

This could include nurses, doctors, engineers, hairdressers, midwives, designers etc.

Please **pop into the office** with your name and contact details if you would be interested or contact **Mrs Pitfield: v.pitfield@northcote.liverpool.sch.uk**

Crossing Patrol. Parents are aware that due to the continuing absence of our crossing patrol officer the council are not providing cover. As a school we continue to raise serious concerns with the management team and local councillors. We hope to see a remedy shortly.

- Can I ask parents to take **special care crossing** the road on the way to and the way from school each day? Your child's safety is always uppermost in our thinking.
- Can I also ask those **parents who drive** along Cavendish Drive or who park close to school to be especially thoughtful about the safety of the children? Thank you.

N.S.P.C.C. Number Day. We are delighted to be involved with the NSPCC number day on **Friday 1st February**. This is a fantastic opportunity for our school community to raise money for the NSPCC charity at the same time as completing **fun maths** activities.

Parents are invited to a **maths breakfast** in your child's classroom between 9:00 and 9:45am. Children will continue their maths themed activities during the afternoon with **Maths @ the movies** where children will investigate the maths behind our favourite films. We ask for a **donation of £1** per family that will all go to the charity The NSPCC.

Parents Evening. We look forward to welcoming parents on **Wednesday 13th. February**. To our Spring Term Parents' Meetings from 4.00p.m. – 6.00p.m.

Half Term Break Children finish for half-term break on **Friday 15th. February at 3.30p.m**

P.E. Kits. A reminder that all children **must** have their P.E. kits in school each day. P.E. is a National Curriculum requirement.
