Colomendy. Year 5 children and staff return to us this afternoon. The children have had a wonderful time while I am sure that the staff who accompanied them are looking forward to a good night's sleep. Well done children for making this year's trip such a successful and enjoyable one. A great big "thank you" to all the adults who accompanied and supported the children throughout.

Pen Pals. We look forward to welcoming parents of **Year 3** children to our 'Pen Pals' session tomorrow morning starting at 10 past 9 in the P.A room next to the school hall. Next week (28th. March) we look forward to parents of children in **Year 2** to Pen Pals.

Nursery Admissions. If your child is 3 on or before 31st August 2019, please make sure you complete an application form as soon as possible, thank you.

Science Week. Last week we held a hugely successful Science Week in school. Huge thanks to families for all the Science 'Selfies' that have come in. Mrs Pitfield has put some onto the school website on the Science page so head on over to have a look! Please keep them coming, it's great to see children's understanding of science and how it is everywhere!

Twitter. We have a twitter feed from Northcote School. This is a great window on all that we do in school and we appreciate the families and friends of school that follow us on Twitter. We have seen lots of posts and news items about the Art Exhibition the children took part in at the Life Rooms, lots around after school clubs, cross country, children's reading and writing, the Year 2 trip to Chester Zoo etc. If you do not already have Twitter on your mobile phone it would be worth your while downloading it.

Egg painting competition. We are looking forward to this year's entries into our traditional egg decorating competition. Each year we are amazed at the creativity of our children and families. Children are welcome to bring their entries into school from Monday 1st. April until Thursday 4th. April. Judging takes place on Thursday 4th. April.
