Years 1 and 2 Safety. The 'Trim-Trail' (adventure playground) on the school play area is designed and installed for use of children **over the age of seven years**. Infant children must not use it at any time including before or after school. Our concern is for your child's safety, please ensure that your child does not use the area. Thank you.

Children's University. This year's graduation ceremony is taking place on Thursday 13th. June at the Salvation Army Centre in Cavendish Drive. The ceremony will start at 1:45pm, and letters and tickets for parents and carers will be sent out soon. Remember, your child must have accumulated enough points **THIS YEAR** to graduate. Thank you to the parents and children who have provided details of their clubs outside of school.

Road Safety. Can we remind parents to park cars sensitively when bringing children to school or collecting them at the end of the day? Cavendish Drive becomes very congested at the start and end of the school day and this poses a **severe risk** to the safety of the children. Please do not park on the zig-zag lines or 'double park' near school. Sainsbury's car park is available for use and reduces the risk of accidents to children and other road users.

P.E. Kits Can we remind parents that all pupils should have their P.E. kit in school each day.

Each item of clothing should be clearly labelled with your child's name. Thank you.
