A MASSIVE well done to all of the children who performed in last weeks 'Northcote Variety Performance', both the afternoon and evening shows were fantastic. The dancers, singers, musicians and actors did themselves proud and are sure parents, carers, family and friends were equally as proud of our wonderful children.

We also need to say a huge congratulations to our year 6 pupils. In May they completed their SATs and results arrived back at school yesterday. We were all delighted with the children's grades but the real excitement came when we could share these results with the children. The results reflect how hard the children have worked throughout their time at Northcote, we are so very proud of them. Headline data will be posted on the school website when national figures are released.

Parents evening will be held tomorrow evening (11<sup>th</sup> July) if you haven't already, please make an appointment to meet with your child's class teacher. Reports will only be handed to parents.

All lost property will be available at parent's evening on Thursday, and also on the yard at home time next week. Any uniform not collected will be recycled or disposed of on the last day.

All after school clubs will be cancelled on Thursday 11<sup>th</sup> July due to Parents evening, there will then be no more clubs for the rest of this term.

The CAMHS training that was due to take place in June has been rescheduled for Friday 12<sup>th</sup> July at 9:00am-11:00am. The training will focus on anxiety-specifically helping parents support their children as they transition to the next phase of their education. If you have any questions, please speak to Miss Gore.
