Very Well Done. We have received all our assessment outcomes from the end of the school year and I am delighted to report that our outcomes are very strong throughout the school. Early Years outcomes, Phonics screening checks, Key stage One results and Key Stage Two results are a credit to both the children who have worked so hard and to members of staff whose care for and commitment to the children is exemplary. Very well done! All our results will be published on the school's website as soon as they have been reviewed.

Best Wishes to our Leavers. I would like to take this opportunity to say a great big "best wishes" to our Year Six pupils who are leaving us at the end of the week. As a whole school community we wish you continued success as you launch your careers at secondary school. We look forward to seeing you next year and hearing of your progress.

I would also say a huge 'thank you and best wishes' to families whose children have been a vital part of our Northcote journey of success. Your support, partnership and friendship mean a great deal to us as a school and we appreciate all the support that you have given your child and to the school over the past number of years. Please keep in touch, your contribution to school life means a great deal.

Attendance I would like to take this opportunity to thank all families for their continued support in raising attendance at Northcote Primary School. This year we were able to take 80 children to the 99%-100% attenders day out, the most we've ever been able to take, amazing! We are always looking to evaluate and improve upon our interventions. I would like to invite all parents to meet with me on Thursday 12th September in the PA room to discuss attendance rewards for children for the next academic year. Miss Gore

Personal Property School closes at 3.30p.m. of Friday 19th. July. All items of personal property must be removed from school at that time. Builders start work on Monday. **Lost Property** is located in the Performing Arts room and can be checked at the end of the day.

Summer Safety. Can I please remind parents and children about key messages including Road Safety, Stranger Danger, Sun safe, and Staying Safe online? We always advise parents to check that children are using online websites and games safely.

Autumn Term The children return to school on **Wednesday 4th. September.** Breakfast Club will start again on that morning.
