E Y F S	Throughout early years, we ensure children gain an understanding of daily routines and the timeline of the day. We focus on learning the timeline of the year by learning about seasons, months of the year, birthdays and important dates (Christmas, Easter, Diwali, Chinese New Year, etc.). During children's time in EYFS they have plenty of opportunities to learn about the past, present and future through the variety of topics we cover as well as having the chance to observe the difference between new and old (buildings, objects, people, photographs, etc.). In EYFS, we teach topics based around children's needs and interests and therefore the history we cover may differ from year to year.
