## TOP TIPS:

- \*'Irate' is how many words you have read independently
- \*'Grate' is how many words have read in your guided window (the box that moves along)
- \*You can click on the stories that are on your level when you press 'start lessons'
- \*Choose a category that you like for your text
- \*Remember to try and read other categories too
- \*Your 'rainbow circle'/pie chart (bottom left of your dashboard) shows you which stories you have read. Next to this is boxes with stories you have read. Drag them across to keep a count of how many stories you have read.

The MORE  
that you read,  
the MORE things  
you will know.  
The MORE that you  
LEARN,  
the MORE places you'll go.
