

Year 1 home learning during school closures

Welcome back to the summer term everyone!

I hope that you are all well and keeping safe at home. I am missing teaching all of you and can't wait to get back to school.

Make sure you log in every week, to see what tasks you should be completing from home.

Don't forget to send us pictures either via our school Twitter @NorthcoteSch or to my school email address: c.ashton@northcote.liverpool.sch.uk.

We will be displaying the best examples of your work with next week's learning, so remember to still use your nice neat writing and think about creative ways of showing your work! We are excited to see what you produce!

Summer term Week 1: Week commencing 20th April 2020

Reading:

Story of the Week

This week's story is 'The Best Dress Ever'. Zid had to persevere to achieve a goal. Can you think of a time when working hard made you proud? Click the link below to listen to the story.

<https://www.youtube.com/watch?v=eCBFMH2pQe8&feature=youtu.be>

How many of these activities can you complete? You can print the pages or use your own paper. Have fun!

- Tell your family what happened on each day in the story. Can you order the event correctly?
- Pretend you are Zid and write a diary entry for each day. Remember your sentences need to start with a capital letter, have finger spaces and end with punctuation like a full stop or exclamation mark! [Zid's Diary](#)
- Can you answer these questions about the story? [Best Dress Ever Reading Comprehension](#)
- Visit Doop! Can you draw and write about Doop? Where is it? How do you get there? What is there to do and eat? [Visit Doop!](#)
- Can you design a dress for Zid?

Class 3 have all been given their Reading Eggs login details to play take part in reading challenges at home! If you're struggling to login with your child, please call the school office (0151 284 1919) for their login details.

A new challenge has been set for the week...login and see!

Writing:

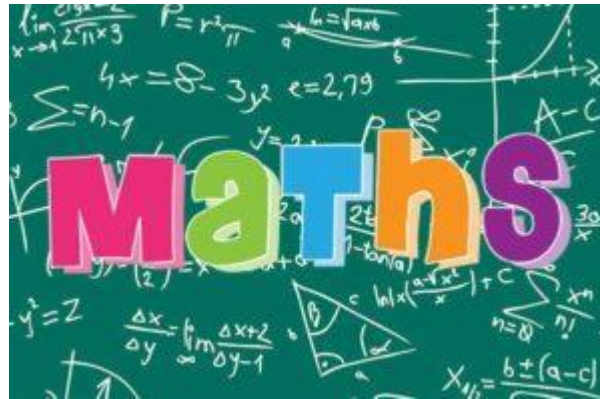

All of your teachers are looking forward to hearing all about the lovely things you have been doing at home. We've seen from our Twitter page that people

have baked, been creative, been reading, been dancing and we're sure you each have your own news to tell.

Task 1: Letter writing: Why don't you write us a letter to tell us how you've been spending your time at home? If you don't have a stamp, tweet or email it to us!

Maths:

Counting on and back in 1s

Children will learn to count up to and back from numbers up to 50, starting on different numbers.

Can you start by writing the numbers 1-50 in order?

Follow the link to begin the

lesson: <https://www.bbc.co.uk/bitesize/articles/znfk8xs>

Science:

This term we will start learning about trees and plants. How many different types of trees do you know? Have you seen any in your neighbourhood? Watch this video to learn about a special type of tree - the Evergreen

<https://www.youtube.com/watch?v=hwfQEK29Wrg>

Task: Make a fact file about Evergreens using the following headings:

Different Types of Evergreen Trees

What Evergreen Trees Need to Grow

What Evergreen Trees Look Like

Fun Facts about Evergreen Trees

Humanities - History

Our summer term topic is the seaside! We will be looking at Victorian seaside and looking at similarities/differences to modern beach holidays.

- Can you list as many items that you might need for the beach?
- What types of activities do people like to do at the beach?

Task: Can you draw a picture of a modern day beach and include as many items that would need to use at the beach.

D&T:

Our new topic in Design and Technology is all about vehicles. We are going to learn about the different types of vehicles, the parts of a car and how a car moves. We will be leading up to making our own car with moving wheels.

Task: How many different vehicles can you think of? Look out of the window and see if you can spot different vehicles. Draw or make a list of all the different vehicles you can think of. Can you think of more than me? I will post my list for you next week!

Take a photo of your list or drawings and email it to me. Remember my email is c.ashton@northcote.liverpool.sch.uk

PE:

Joe Wickes has been doing a session every day to help keep our bodies healthy while we are at home.

Try to complete a few of his sessions each week.

https://www.youtube.com/playlist?list=PLyCLoPd4VxBuHn84_as427AwkVpahrgti

Task: Last term we learnt a range of running games. Can you teach your family one of your favourite running games from our PE lessons?

Computing:

Staying safe online is very important, can you remember any of the eSafety rules that we need to follow? Write them down and then watch the video to see if you were correct.

Spanish:

Visit the BBC website to recap the learning we have been doing in Spanish. This week's focus: Numbers

<https://www.bbc.co.uk/bitesize/clips/zxbpyrd>

PSHE:

Learn about the importance of friendships

- <https://www.bbc.co.uk/bitesize/articles/zhmpnrd>

Think about who your friends are

Who do you play with or talk to regularly in school?

Draw pictures of them and write their names.

Think about what Bill and Owen said about things they share.

Write down the things you share with your friends and the games you like playing together.
