

Welcome back to the summer term everyone!

I trust that you are all well and keeping safe at home. I am missing teaching all of you and can't wait to get back to school.

Make sure you log in every week, to see what tasks you should be completing from home.

Don't forget to send us pictures either via our school Twitter @NorthcoteSch or to my school email address r.collins@northcote.liverpool.sch.uk

We will be displaying the best examples of your work with next week's learning, so remember to still use your nice neat writing and think about creative ways of showing your work! We are excited to see what you produce!

Summer Term Week 2: Week Commencing 27th April 2020

Reading

Story of the Week

This week's story is 'Superheroes - All sorts'. This is a story all about the different types of Superheroes in our lives. Not all superheroes wear a cape! Read the story, use the pictures and your phonics skills to help you.

[Superhero All Sorts](#)

How many of these activities can you complete? You can print the pages or use your own paper. Have fun!

Task 1: Your superhero: Can you think of someone in your life that is a superhero? Who are they and what makes them a hero for you? Take a picture or draw your superhero and tell your family why they are so special. Next week, I will share my superhero with you!

Task 2: Talk task: If you had a superpower, would you tell anyone or would you keep it a secret? Explain why.

Task 3: Reading for pleasure: Take some time to read one of your favourite books just for fun. This week I will be reading one of my favourite books - Where the Wild Things Are by Maurice Sendak.

Bonus Challenge: Reading Bingo!

Class 3 have all been given their Reading Eggs login details to play take part in reading challenges at home! If you're struggling to login with your child, please call the school office (0151 284 1919) for their login details.

Well done to Maja, Frankie B, Lillia, Scarlett, Benita, Ethan and Hayden for completing last week's challenge. You all did so well.

A new challenge has been set for the week...login and see!

<https://readingeggs.co.uk/>

Don't forget Reading Eggs has a library filled with lots of exciting books for you to read!

Writing

This week's writing is linked to our 'Story of the Week'. Remember you can continue to email me and tell me about what you have been doing at home. I would love to see some of your work too!

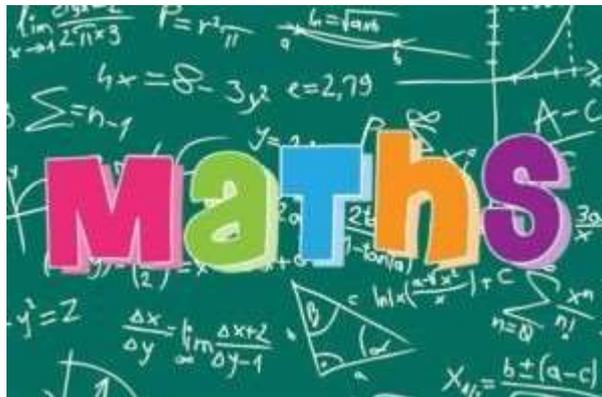

Task 1: Create a Superhero: Can you design your own superhero? What does its costume look like? What superpower does it have? How did it get its superpower?

2020 Superhero Design

Task 2: **Super Sentences:** Complete the superhero sentences. Check you have used capitals letters and full stops in the right place.

Superhero sentences

Maths

Counting in tens and ones

Learn to represent larger numbers up to 50 by splitting them into tens and ones.

https://www.youtube.com/watch?v=-gmEe0-_ex8

Can you start by writing your numbers in 10's to 100?

Follow the link

to begin the lesson: <https://www.bbc.co.uk/bitesize/articles/zb9pnrd>

Task 2: Times tables - can you practise your 10 and 2 times table?

<https://www.timestables.co.uk/10-times-table.html>

Science

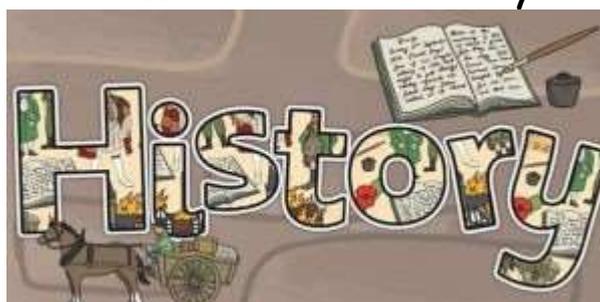

This week we will be learning about **deciduous trees** - do you know what they are? The leaves on deciduous trees change colour and fall off during one of the seasons we have already learnt about this year.

Do you know when most deciduous trees lose their leaves?

Task: Deciduous trees through the seasons: Draw pictures of what a deciduous tree would look like in each season. You should have 4 different pictures.

Humanities - History

I hope you enjoyed making your posters, keep sending them in!

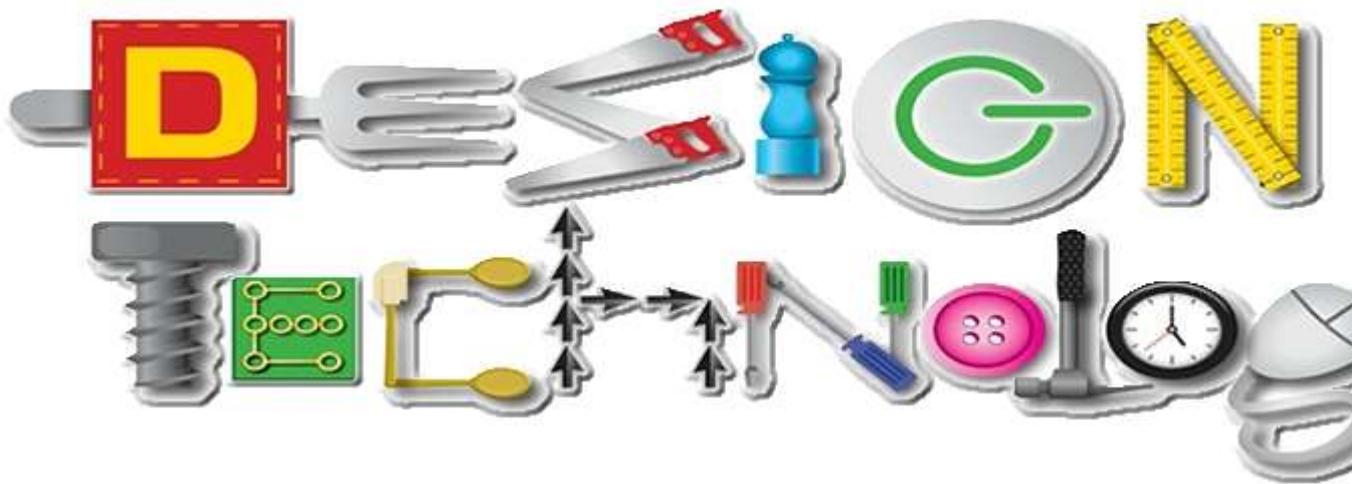

Watch the following link: <https://www.youtube.com/watch?v=exFmcLMjKsw>

What is different between seascapes then and now?

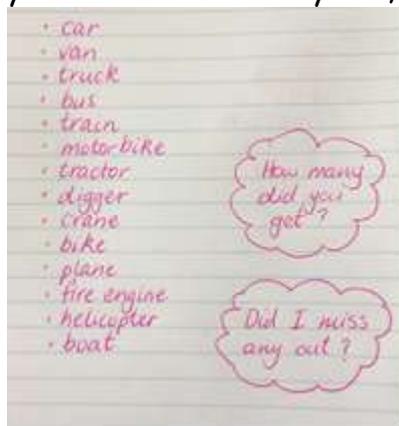

What do you notice about the clothes they are wearing?

Task: Can you draw a picture of a Victorian seaside and include any new items that you have discovered?

D&T: Vehicles

I hope you all had fun making your lists and drawing of the different vehicles you know. Here is my list, check your list against mine. Are they the same?

This week we will be looking more closely at cars, their parts and how they move. Here are some fun learning experiences for you to do at home!

Task 1: Play and explore: Take some time to play with some toy cars or vehicles. Talk about how they move. What is the same about them? What is different?

Task 2: Label the car parts: Can you name the different parts of a car? Use the picture and write the names for the parts of a car or write labels for one of your toy cars.

[Label the car parts](#)

Task 3: Look underneath: Look at the picture or watch the video of the underside of the car. Do you know what any of these parts are called? What is the part called that makes the wheels go around?

[Underneath of Car](#)

Joe Wickes has been doing a session every day to help keep our bodies healthy while we are at home.

Start your day the right way, with Wake Up, Shake Up!

Objective: agility, balance, coordination.

Task: Create an obstacle course, using objects from around the house. Time yourself and try to beat your score each day.

Spanish

Recap the colours in Spanish: <https://www.youtube.com/watchv=DsRkoZGaoEM>

Name the colours: **You will need a pencil and paper!**

	_____		_____
	_____		_____
	_____		_____
	_____		_____
roja	colores	azul	blanco
amarillo	verde	negro	naranja

Computing:

Task: **Visit UK cities:** Can you use this map of the United Kingdom to command the Bee Bot to visit different cities?

There are some for you to do, but you can come up with your own too!

[Bee-Bot Around the UK](#)

If you have a device at home, you can also download the Bee Bot app for free and have fun programming your Bee Bot.

PSHE

Earth Day 2020

Earth Day is an event which takes place every year on the 22nd April. 1970 was the first year Earth Day was held and since then, people have shown their support for the environment by becoming involved. On this day, awareness of climate change is raised and people are encouraged to protect our planet.

<https://www.youtube.com/watch?v=pHNDeXkADzY&feature=youtu.be>

Task: Can you make a poster about Earth Day, including 3 things that you would do to improve the environment? Don't forget to send them in, we'd love to see them!
