Barnaby bear had lots of fun exploring Edinburgh Castle, have you ever wondered what it might be like to be a knight and live in a castle? This week, enjoy the story of 'Small Knight and George' written by Ronda Armitage:

Have a go at creating your very own castle using bits and bobs around the house!
Now imagine it was much, much, much bigger- would you like to live inside?

Make a character profile of a dragon created by you! Is your dragon mean and mighty? Perhaps he is small, kind and gentle? I wonder what colour your dragon will be! Will your dragon have patterned skin? Does your dragon have any special powers? Use the list below to help you to label your dragon. Use your phonic knowledge to read some of the words and decide if they apply to your dragon.

objects and a numberline

<https://youtu.be/fEGoEs-vfFE>

Have a go at answering the following number sentences:

$$5-1=$$

$$4-2=$$

$$7-3=$$

$$9-2=$$

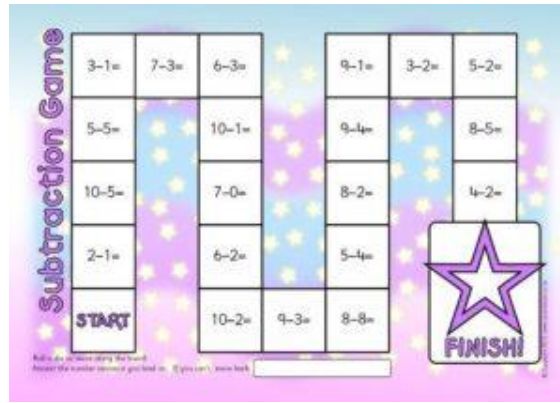

$$8-1=$$

$$10-7=$$

$$9-6=$$

Next, allow your child to have a go at writing their own number sentences,
remember to use objects or a number line to support as necessary! If you feel
your child is ready to move onto larger numbers then that's great too!

Enjoy a board game to celebrate all the fantastic learning that has taken place:

If you feel your child would benefit from more challenge, have a go at this version:
