

Summer Holiday Challenge 2020

Activity 1

New skill!

Tell us about a new skill you have learnt during lockdown. Riding a bike? Planting vegetables? Baking? Write a description of what you achieved and attach a drawing or photo to show it off!

Activity 2

Take part in the 'Silly Squad' Summer Reading Challenge 2020 being run by your local library service. This year it is being run online! Up to 10 credits are available, don't forget to register!

Activity 3

Do a shout out for your favourite public Learning Destination! Now that the local museums, farms, galleries and zoos are re-opening, why not pay them a visit and then draw a picture or write a report about what you did there!

Activity 4

Science Mad!

Head to one of the following websites and conduct an experiment of your choice...tell us what equipment you need and what you had to do – why not add a photo?

Activity 5

Wherever you are this summer, why not give our downloadable activities such as RSPB Wild Challenge or Forestry Commission a go?

Activity 6

Why not take part in the Big Butterfly Count? A nationwide survey aimed at helping us assess the health of our environment

Activity 7

Help our environment and take part in this Eco Bingo Challenge. Just like regular bingo but, instead of matching numbers to your bingo card, fill in a box by completing the activity. Fill 4 boxes in a row to get a bingo (2 credits for Children's University). Take a photo of yourself doing the activity/holding up your Eco Bingo card.

Collect extra Children's University credits during the Summer break by completing this challenge. Each activity is worth 1 credit -unless stated otherwise when you take evidence of your activity to your teacher or send it to your local Children's University. Send it to louise.waller@elevate-ebp.co.uk
