

Home Learning - Thursday 15th October

Hello everyone - let's get started! I will be calling you all everyday, to check how you're getting on and to help you with anything you are stuck on. It is very important that you've had a good go at today's work before I call you! It would be great if you can email your work over to me when you've finished it. If you need me at all over the next few days, you can email me at j.brislen@northcote.liverpool.sch.uk

Previous days:

[Tuesday 13th October](#)

[Wednesday 14th October](#)

If you can, try to keep to our school routine! Follow these tasks and see below for extra information about them.

TASK ONE - Get your brain going with 5-a-day (this was printed in your pack but I will pop it below in case you have misplaced it).

TASK TWO - Reading. Spend 30 minutes on Reading Plus or reading on Bug Club.

TASK THREE - Maths. Try your warm up first then we will be multiplying and dividing by 10, 100 and 1,000. See below for your tasks.

TASK FOUR - English. Today we will continue to focus on The Hajj. Start by reading through the first two paragraphs. We will be writing the final paragraph of our diary entry today. Have a look at the information below for a guide to help you write.

TASK FIVE - GPS Basic Skills. Try 2 columns today. I will upload the answers later in the week. Top Tip - don't forget capital letters!

TASK SIX - History. This term, you have been learning about WW11 and have started to look at Anne Frank. See below for your task.

Task One - 5 a day

Here is today's task. Spend around 15 minutes and see how many you can complete. When the 15 minutes is up, mark you answers (if you can). When I call you later, you can ask me about any of the questions that you didn't understand.

Thursday 15th October

Add together:

12, 87, 97
234, 86, 66
125, 87, 9, 23.4

Start on 600 and take away:

235
177.5
602.6

4 X 67 =
54 X 54 =
67 X 88 =

674 ÷ 3 =
432 ÷ 7 =
655 ÷ 15 =

Ext – Convert into cm

4430mm 22.97m

7540mm

Task Two - Reading

All children have now been allocated a login for Bug Club. Bug Club gives your child access to at home reading books at their specific reading level. Children can access the reading books online and progress through the reading levels with your support at home. More information can be found in the letter below. If you have any questions about Bug Club or need your child's login information, please email me at j.brislen@northcote.liverpool.sch.uk

Your child can login to to Bug Club here: <http://www.activelearnprimary.co.uk>

[Bug Club Parent Letter](#)

If you are having trouble accessing Bug Club via your device, please try the following steps:

1. Go to 'Settings' and select 'Safari'
2. Switch off 'Prevent Cross-site tracking'

If you are still having problems, please contact me and we will investigate further.

Thank you for your ongoing patience and support.

Some children are currently accessing Reading Plus in school. If so, they will be able to log in at home. Children can access stories online, which helps develop their fluency, understanding and vocabulary. Children's progress can be monitored by myself, therefore, it's a great way for me to see how your child is progressing.

Your child can log in to Reading Plus

here: <https://student.readingplus.com/seereader/api/sec/login>

Task Three - Maths

Start with today's warm up:

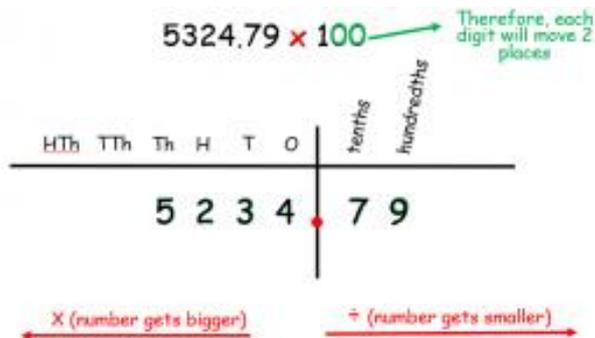

How many can you complete in 10 minutes?

- | | |
|----------------------------|--------------------------------------|
| 1. $389.31 + 23.25 =$ | 1. $24.47 + 53.91 + 6.325 =$ |
| 2. $54.3 - 2.7 =$ | 2. $24.6 - 2.315 =$ |
| 3. $26 \times 12 =$ | 3. $74.23 \times 12 =$ |
| 4. $585 \div 5 =$ | 4. $1123 \div 5 =$ |
| 5. 10% of 2070 | 5. 10% of 5684 |
| 6. Round 2,937 to the ten. | 6. Round 196,392 to the nearest ten. |

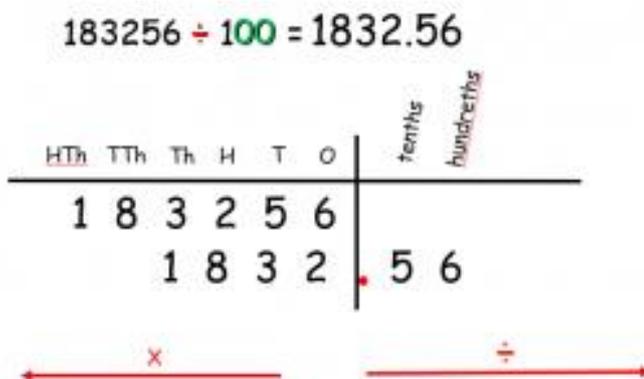

Today we will be multiplying and dividing by 10, 100 and 1,000.

Have a look at these images and watch this video to help you:

<https://www.youtube.com/watch?v=yVg6LyNgIT8&feature=youtu.be>

The 0s decide how many places you move.

Activity:

Activity:

1. $243.5 \times 10 =$
2. $243.5 \times 1,000 =$
3. $4.36 \times 10 =$
4. $4.36 \times 100 =$
5. $0.123 \times 100 =$
6. $0.123 \times 1,000 =$

7. $243.5 \div 10 =$
8. $243.5 \div 1,000 =$
9. $4.36 \div 10 =$
10. $4.36 \div 100 =$
11. $0.123 \div 100 =$
12. $0.123 \div 1,000 =$

Task Four - English

We will be writing our final paragraph for our diary entry.

Remember that we always write a diary entry in first person and today's paragraph must flow from your work yesterday.

Today's paragraph should focus on what is happening now.

15.10.20

WAGOLL

In two weeks, I will be leaving London and joining the army. My Dad is so proud of me, but that's not why I'm joining. If I give back, I hope the haunting nightmares will stop. This is my way of making it up to Evelyn. I haven't seen Gary or Robbie for a long time, but I hope they're making it up too. Maybe one day, one of us will come clean and confess everything. Maybe then I will have a peaceful sleep.

Wish me luck,
Joe.

Questions to help

What are you doing with your life now?

Why are you doing it?

What happened to Gary and Robbie?

Will you ever tell the truth?

Sign off on your diary and give the character a name.

Task Five - GPS

Complete 2 columns of your GPS Basic Skills (this is in your pack). If you have lost yours, email me and I can send you a new one! We will go through the answers tomorrow

Task Six - History

Last week, you started to look at Anne Frank - use the links below to help refresh your memory.

<https://www.bbc.co.uk/newsround/46972704>

<https://www.annefrank.org/en/>

Create a fact file all about Anne Frank. You can present it however you like.
