

## Class 4 Home Learning

Please send in any pictures to us of the work your child is completing at home - we'd love to see it!

### Week Beginning 12th October

#### Reading

Follow this link to find out how to get a specially designed library card to use in Liverpool libraries that have reopened as well as some digital reading material!

[https://www.edgehill.ac.uk/news/2020/09/peck-up-a-my-first-library-card/?utm\\_source=ehuacuk&utm\\_medium=shorturl&utm\\_campaign=646](https://www.edgehill.ac.uk/news/2020/09/peck-up-a-my-first-library-card/?utm_source=ehuacuk&utm_medium=shorturl&utm_campaign=646)

Follow this link for access to free books, exclusive videos and recommended reads from a popular children's author or illustrator on a weekly basis!

<https://wordsforlife.org.uk/virtual-school-library/>

#### Bug Club

All children have now been allocated a login for Bug Club. Bug Club gives your child access to at home reading books at their specific reading level. Children can access the reading books online and progress through the reading levels with your support at home.

Children are expected to read at **least 4 books per week**. Each week we will be celebrating the child who reads to most books in a week, awarding them Bug Club Star.

More information can be found in the letter below. If you have any questions about Bug Club or need your child's login information, please email me at [v.pitfield@northcote.liverpool.sch.uk](mailto:v.pitfield@northcote.liverpool.sch.uk)

Your child can login to to Bug Club here: [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)

### **Bug Club Parent Letter**

If you are having trouble accessing Bug Club via your device, please try the following steps:

1. Go to 'Settings' and select 'Safari'
2. Switch off 'Prevent Cross-site tracking'

If you are still having problems, please contact your child's class teacher and we will investigate further.

### **Bug Club Reading Star**

The child who had read the most books each week on Bug Club will get a certificate! Please remember that the children must complete the Bug challenges along the way in each book for it to show up in the library. When it is in the library it will tell me that they've read a book.

Bug Club Star for this week is **Dominik**. **Well done!!!**

Any problems please email me - [r.collins@northcote.liverpool.sch.uk](mailto:r.collins@northcote.liverpool.sch.uk)

## **Writing**

This week we will be learning about the difference between **Fiction** and **Non-Fiction**. We will be reading Non-Fiction texts and using these to help us write our own labels, captions and facts.

Sing along with this song about Fiction and Non-Fiction. At the end, tell someone in your family what the difference is.

<https://www.youtube.com/watch?v=CFbX-wFPvWo>

Watch this video about Tigers and complete the following tasks:

1. Draw a picture of a tiger and label it.
2. Write 4 facts that you learnt about tigers. Remember to write in full sentences.

<https://www.youtube.com/watch?v=jEQaRY4YpVo>

### **Can you remember what a sentence needs?**

A sentence needs:

- to start with a capital letter
- finger spaces between words
- to end with punctuation, like a full stop
- to make sense when you or someone else reads it

**Do you need help? Here are some resources to help with sounding out words and recognising capital letters:**

[Phase 2 Sound Mat](#)

[Phase 3 Sound Mat](#)

[Upper and Lower Case Letters](#)

## Phonics

The following games and resources are available to help you with your Phonics:

<https://www.bbc.co.uk/iplayer/episodes/b01cz0p1/alphablocks>

<https://www.phonicsplay.co.uk/>

Remember to use the sounds you know when you are reading and writing.

## Spellings

Spellings for this half term include age-related spellings from the National Curriculum, alongside spellings from the units of work being covered in the Northcote Humanities Curriculum. We will not be testing the children on spellings this half term but we expect children to start recognising them in their reading and attempting to spell them in their writing.

**Please take some time to help your child practise reading and writing the spellings for this half term.**

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
a	of	he	me	is	you
is	no	she	be	his	your
I	to	live	we	think	quick
well	do	give	buzz	honk	sea
rain	off	back	bank	sunk	saw
oil	hunt	jump	fresh	grand	bare
car	day	home	tube	for	there
see	made	out	when	boat	
seen	five	own		high	
her	how	lie		where	
		air			

## Maths

Complete the BBC Bitesize lesson to learn all about addition. Complete the activities.

<https://www.bbc.co.uk/bitesize/articles/zvk7mfr>

### Dice Addition

Roll a dice and write down the number. Roll it again and add the two numbers together. Write down the equations to match.

## Science

### Parts of the Body

Can you name the body parts in the diagram. Print it or draw your own body to label.

Here are some fun and practical ideas for learning Science at home. Don't forget to take some pictures to show what you have been doing.
