Caring, Learning, Growing

20th. November 2020

Parents and children. Please take extreme care when close to or crossing Cavendish Drive. Cavendish Drive is a very busy road especially at the end of the school day. It is a bus route and a road used by very large Sainsbury delivery lorries. It is also a road on which some parents 'double park', which increases the hazard to children and parents seeking to cross the road safely.

Parents – please keep tight control of your child/ children as they approach Cavendish Drive and as they cross the road.

Drivers. PLEASE drive with **extreme care** as you proceed along Cavendish Drive. There is a 20 miles per hour speed limit along the road but we would urge you to drive at an even lower speed around the area outside the school.

Drivers. PLEASE park away from the school gates. Stay off the zig-zag lines. Don't 'double park' along the pavement.

Poor parking prevents children seeing vehicles that are coming along the road. Can we all work together to prevent injury or harm to the children as they come to school and leave school.

Children. Please stay safe!

Flu immunisation: Please note that this has now moved to:- **Friday 4th. December.** Children in reception – year 6 will receive their flu vaccine nasal spray on 4th. December.

Coats We are now at the time of year in which the weather gets worse. All children must have their coats in school every day. Thank you.

Breakfast Club.

1. Parents please remember to wear face masks when dropping the children off.
2. Always bring your child to the door for the sake of safety. Do not leave them at the gate.
3. Remember to keep up to date with your payments via **ParentPay**.

Face Masks. PLEASE remember to stay safe and always wear a facemask on the school grounds.

SeeSaw

A big **"thank you & well done"** to all parents and children who have been using SeeSaw over the last few weeks to engage with the children's learning in school and at home. We hope this continues to be a success.

Packed Lunches.

It is really encouraging to see the number of children who bring in a **healthy packed lunch** each day. **Thank you** parents for your thought and effort, it is appreciated.

As a school we are committed to promoting healthy lifestyles by encouraging regular exercise and healthy eating. It is good to know that many families support our efforts.

Can parents please ensure that your child's packed lunch is healthy? Please remember only 1 sweet treat please. Thank you.
