SCHOOL RE-OPENING

Dear Parent,

You are aware that we are welcoming all children back to school next Monday, 8th March.

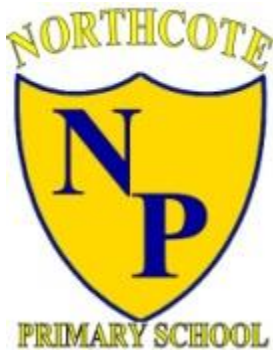

We want to thank you for all of your support for your children as we have moved to remote learning on the Seesaw online platform. We are very encouraged by the excellent level of uptake by families. Again, "thank you".

Can I please remind all parents that:

- We are returning to the 'staggered starts' to each day. Details about access points to the school site and times of the school day for each year group have already been sent out and posted on the school's website.
- Parents coming onto the school grounds each day are expected to wear a facemask as an aid to keeping staff and each other safe.
- Any enquiries to the school office must be made by telephone or by email.
- Please do not send your child into school if they are unwell. Please contact your GP surgery or NHS Direct if you need advice.
- Any child who exhibits coronavirus like symptoms will be supervised in isolation in school until collected by their parent.
- Staff will wear facemasks in shared areas of the school building such as corridors and the school hall at dinnertimes.
- Children in all years should bring their own **NAMED** water bottles into school if they require water. The bottles remain on the child's desk and are taken home each evening.
- School will no longer be providing remote learning 'Seesaw' unless a 'bubble' has to remain at home in isolation.
- All rooms will be ventilated and, although the school's heating is on, children may need to wear their school sweatshirts in class.
- Regular handwashing will take place through the school day.
- If your child is absent for any reason parents must phone the reason for absence to the school's office (0151 284 1919)

Many thanks,
Mr R. Morgan
