**Caring, Learning, Growing**

9<sup>th</sup>. July 2021

## **E-mail communication system.**

We have a new system of communicating with parents via email.

Please make sure the office has an up-to-date emails address.

The email comes through from **NORTHCOTE PRIMARY SCHOOL.**

The email system cannot receive responses

**New School Year Start and End of Day.** You will receive an email this week that outlines details on how we aim to bring the children into school and dismiss at the end of the day in September.

**Department for Education Guidance.** We await guidance for schools about the management of **covid** in schools from September. We will communicate any and all information as we receive it.

**End of Year Reports.** You have now have received your child's end of year school report. We hope that you enjoyed reading it. If you have any questions please speak with your child's class teacher.

**Summer Learning.** All children will be coming home next week with a summer home learning pack. We know the summer holidays will be enjoyed with friends and family, the resources we are sending home are aimed at supporting children's learning by doing little bits of work at the end of what has been a disruptive year. We appreciate your support in encouraging your child to complete the tasks.

**Children's Books.** Children will be bringing home a selection of their work next week. We hope that parents enjoy seeing what your children have achieved.

**Uniform.** As parents prepare for the next school year can we remind you of our uniform;  
'The Northcote School uniform is simple, inexpensive yet very smart.  
We believe that our uniform supports the development of each child's pride in the school along with a sense of belonging to the Northcote family.

Grey shorts/trousers. Navy skirts or pinafore dresses. Grey or white socks and black school shoes. White shirt/polo shirt, school tie (only needed with shirts) and navy-blue sweatshirt or cardigan.

Blue and white summer dresses with white socks can be worn in warmer weather with plain black shoes – no high heels, no flip flops, no open toed sandals or jelly sandals.

## **PE Kit**

It is important, for good health and hygiene that children have a PE kit to wear during PE lessons. This kit should be completely separate from their school uniform.

Navy blue shorts, white T-shirt with school logo, gym shoes (plain black pumps).

## **Outdoor Games**

As for PE, warm navy tracksuit bottoms are allowed during the winter months. For outdoor games children also need an appropriate change of footwear and socks. Light indoor pumps or gym shoes worn for PE are not suitable for use on the school field.

**End of Term** School finishes for the summer holidays next Friday (16h. July) at 3.15 – 3.30p.m.

**Start of the new school year. Wednesday 1<sup>st</sup>. September** (doors open from 8.45 a.m.) Thank you!
