Dear parents/carers,

I do hope that you and your families are well. We are looking forward to welcoming the children back to school on **Wednesday 1<sup>st</sup> September** (Nursery Monday 6<sup>th</sup> September).

You will receive letters today with important information about how we will start the school year. I thought it would be useful to summarise and outline the main points:

- The school gates will open at 8:45. Children should arrive at school between 8:45-8:55, using all 3 gates and enter through the door assigned for each year group. (See letter).
- EYFS and KS1 finish at 3:20 and KS2 finish at 3:30 – please see letter for guidance on pick up points.
- Close contact tracking will now be run by NHS, meaning primary aged children and staff that are double vaccinated no longer need to isolate.
- Staff will continue to test 2 times a week.
- Hygiene and cleaning measures will remain in school.
- The school will be well ventilated
- The school has a contingency plan in the event of an outbreak.
- The school's updated risk assessment will be posted on the school website.
- **Liverpool City Council are asking parents to wear facemasks when dropping off and picking up children.**
- Any parents or visitors entering the school building will be asked to wear a facemask.

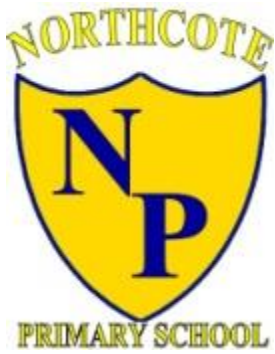

We ask that parents leave the school yard as quickly as possible once they have dropped off and collected their children.

If your child develops any Covid symptoms (cough, high temp, loss/change of taste/smell) we ask that you follow government guidelines, take a PCR test and wait for a negative result before sending them into school. If any symptoms begin whilst your child is in school, we will phone you and ask for your child to be collected.

Many thanks,

Mr R. Morgan.
