

slower speeds,
safer streets

Liverpool
City Council

April 2022

Dear Parents/Guardians

During the school term Parking Services will be in the area. It is important for the safety of all pedestrians/cyclist that you park your vehicle in a legal safe place with consideration also to the residents who live in the area.

Do not park on

- School Keep Clear Markings
- Yellow lines
- Near junctions
- On pavements
- In front or in resident driveways
- Park on or near pedestrian crossing points (drop kerbs)

Consider walking/cycling to school with your children or if using a vehicle parking further away and walking the last part of the journey.
