Egg painting competition. This is a long held tradition at Northcote School so we look forward to seeing this year's entries. The idea is that children (or Families) decorate eggs to create an imaginative entry. We have seen very many amazing designs over the years and we expect a fantastic contest this year.

Car Parking. Please park sensitively and away from the school's grounds. This request is made in order to ensure that our children are kept safe coming to school and leaving each day. Thank you.
