Dear Parent/Carer

Parental feedback told us that you would like more information about your child's curriculum and expectations for their year group. Some parents also felt there wasn't enough time to talk to teachers during the timeslots given at parents' evenings. As a result, we have decided to change the format of the parent meetings for the autumn term.

There will be three 30-minute timeslots available for parents to choose from and meetings will be held in your child's classroom. For the first 15 minutes, class teachers will share an overview of your child's curriculum for reading, writing and maths and highlight the most important things that you can do to support them at home. For the remaining 15 minutes, you will be able to see your child's books and speak to the teacher about how your child has settled into their new year group.

We will not be sharing any information on attainment at this meeting, as assessments do not take place until the end of this term. The parent meeting in Spring will have a formal format, with one to one meetings with the class teacher in which your child's progress and attainment will be discussed

If you have any specific queries or concerns about your child after the meeting next week, you can arrange a follow up appointment with your child's teacher.

Thank you for your continued support and feedback.

Mr Anders
